Re: Request for Information Pursuant
to Section 104(e) of CERCLA For
The Sanitary Landfill Company (IWD)
Site in Moraine, Ohio

Dear Mr. Turner:

This is in response to Lynn Peterson's letter of May 24, 1993 addressed to Frigidaire Company, 11325 Reed Hartman Highway, Cincinnati, Ohio 45241, which was issued pursuant to Section 104(e) of CERCLA, regarding the above-referenced site. White Consolidated Industries, Inc. ("WCI") is not the successor to manufacturing operations conducted by General Motors Corporation in the Moraine, Ohio area which have apparently been connected to the IWD Site. Since WCI, through its Major Appliance Group, only acquired the right to distribute appliances under the "Frigidaire" trademark and did not acquire any manufacturing facilities from General Motors Corporation, WCI is not a proper party to U.S. EPA's actions with respect to the IWD Site.

Should you have any questions regarding this matter, please do not hesitate to contact me.

Very truly yours,

Rick J. Holcomb
Claims Counsel
